JUL 5 1977

MEMORANDUM FOR: Vice Director for Production, DIA
 Deputy Director for Intelligence, CIA

SUBJECT : NPIC Imagery Analyst Needs,
 September - December 1977

1. Several weeks ago I initiated a study within the Imagery Exploitation Group directed toward assessing the impact of the satellite mission schedule for the remainder of this year. This study reveals that the most critical impact will occur in the September - December time frame.

25X1

2. With that input, and in order to meet established exploitation and reporting deadlines during this period, we will need to augment Center resources by about [] imagery analysts. I request your assistance in providing from the Office of Imagery Analysis and the Imagery Analysis Division the analysts to meet this need.

25X1

3. I am available to discuss this request. I have designated [] as my contact point for working out the details of assistance which you might be able to provide.
